First edition

This journal is, like everything else in the world, too costly, but unlike most other things only modestly so; it is delivered against a donation, rather than free, to contribute to WE Fond for improving conditions for guests, namely artists and scholars, at Wassard Elea Refugium.

Readers, furthermore, shall have to tolerate, like the rest of the world, many languages. Likewise they shall have to tolerate many types of content; the pages are open to the great variety of all the arts and sciences.
Your submission of articles, short notes, discussions and reviews, is invited.

Permission to reprint is readily obtainable on request. Ads may be accepted if accompanied by a suitable donation.

Subscription: Send us your e-mail address.

Suggested donation: Single issues: 5 €; 4 issues: 20 €. Please remit in cash to: Wassard Elea Fond at address above – receipt is subsequently mailed.
